Functional utility pocket with reinforced edges

Side cargo pocket with flap closure
Structured volume with visible seam construction

FABRIC SWATCHES

09.1 — Cross Trace

60% Cotton, 40% Polyester. Structured surface with a slightly dry hand and defined stitched grid texture.

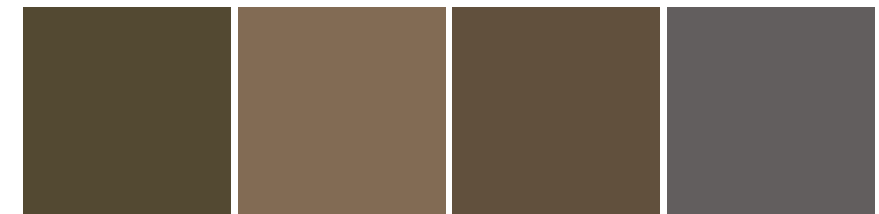

09.2 — Weathered Drift

70% Viscose, 30% Linen. Soft, fluid base with a washed, irregular surface and subtle movement.

10.1 — Broken Herring

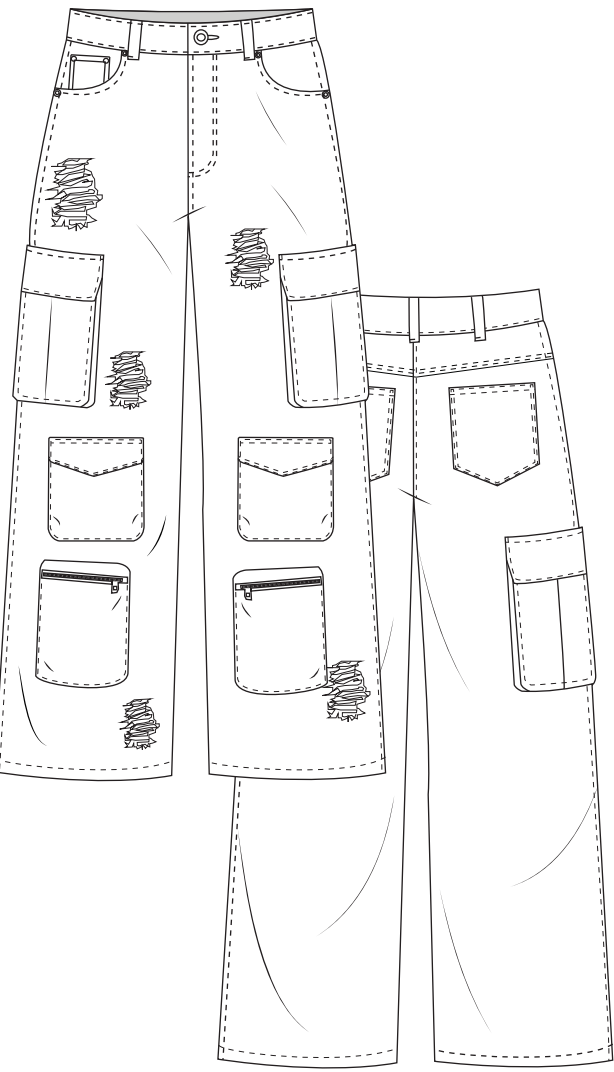

65% Wool, 35% Polyester. Dense and warm with a pronounced directional weave and firm structure.

10.2 — Falling Lines

75% Polyester, 25% Cotton. Textured vertical pattern with a slightly coarse hand and controlled drape.
